

Geography/Design and Technology:  
Food around the world

We will be learning where our food comes from and the importance of trade and fair trade.  
Our focus country will be Italy and we will find out about their traditional dishes.  
This will link in with our Design and Technology where we will be designing then making our own traditional Italian dish. We will evaluate them after.

Science: Animals including humans

We will be describing the simple functions of the basic parts of the digestive system in humans.  
We will be identifying the different types of teeth in humans and their simple functions.  
We will be comparing the teeth of carnivores and omnivores.

Art

In art we will be researching and looking at the painter, Giuseppe Archimboldo, who was best known for creating imaginative portrait heads made entirely from fruits and vegetables.  
We will create our own still life pictures and paintings.

Year 4 Term 3  
*What's eating you?*  
Learning Leaflet

PE

Outside, we will be focusing on dynamic balance to agility (jumping and landing) through a range of sequences and using a variety of equipment. In the hall, we will be working on floor balances linking to a sequence. Both units are working on Social Skills.

Maths

We will be working on our unit Multiplication and Division.  
In the first 3 weeks, we will be looking at Multiplying and dividing by 10, 100, 1, 0, 3, 6, 9 and 7. In the last 3 weeks of term we will be looking at Multiplying and dividing by 11 and 12 and how to use a written method for multiplying 2 and 3 digit numbers by 1 digit number.

English

Our book this term is 'Krinklekrax'. They will be learning new vocabulary, writing a diary entry, balanced argument and creating a fact file.

PSHE

We will be looking at 'Celebrating Differences' through accepting everyone is different and how to be kind. We will also be looking at our 'Dreams and Goals' and how to achieve them.

R.E

We will gain knowledge and understanding of the Hindu religion focusing on these questions: 'What do Hindus believe God is like?' and 'What does it mean to be a Hindu?'

Computing

Our unit this term will be 'We are software developers'. We will learn how to develop a simple computer game and design an interface.
