

<p><u>History</u> We will be looking at the Victorian Era and how the Industrial Revolution changed Britain. We will focus on the inventions of the era that have contributed to the lifestyle we have today. We also hope to go on a trip to bring our learning of the Victorians to life.</p>		<p><u>Science: Electricity</u> We will be identifying common appliances that run on electricity, making simple circuits and recognise what a conductor and insulator is. We will draw circuits using pictorial representations.</p>
<p><u>Art</u> We will explore patterns through the famous textile designer, William Morris.</p>	<p><b>Year 4 Term 1</b> <b>The Age of Change</b> <i>How do the ambitions of others affect our world today?</i> <b>Learning Leaflet</b></p>	<p><u>PE</u> Outside, we will be focusing on our personal skills in sport and coordination. In the hall, we will be focusing on gymnastics and different floor balances.</p>
<p><u>Maths</u> We will begin our first term looking at Place Value. We will then move on to Addition and Subtraction. Each morning, we will be practising our times tables.</p>	<p><u>English</u> Our text to begin Year 4 is 'Oliver Twist'. We will be writing setting descriptions, character descriptions, diary entries and we will write our own ending to the story.</p>	<p><u>PSHE</u> We will look at our unit 'Being Me', by recognising our school values, creating a team flag and how to be a responsible learner.</p>
	<p><u>R.E</u> We will be focusing on the question 'What is the Trinity and why is it important to Christians?'</p>	<p><u>Computing</u> We are toy designers! We will be prototyping an interactive toy by understanding how to make an on-screen prototype of a computer-controlled toy.</p>
