Year 6 Reading

First **spot** 🙄🙄 when your understanding **breaks down** while you read ??????????????????????????????

Here are some ways to **fix it**:

Go back 2 or 3 sentences and **re-read**, **collecting clues** from the words

Try to connect the clues with the **tricky part**.

Visualise pictures in your mind and **re-read** the part again.

Read on a bit. Look at the **key words** and **think** what would **fit** in?

??????? incomparable ????????

compare ??

If there is **one** unfamiliar **word** ask yourself: Is it **like** a word I **know**?

Is it a **noun**, **verb** or **adjective**? What **other** word would make **sense**?
