

Year 5, Term 1 Theme Home Learning

PSHE / wellbeing

Design a picture which would convey a specific emotion. E.g. happiness, sadness, anger...

Science

Can you find 3 things in your home that you could use to demonstrate either reversible or irreversible changes?

Computing

Create your own games using scratch.

Please choose at least one of these activities to do over the next term. You can choose to do these independently or with someone in your family. Please bring your learning into school to share with the class.

History

Research a famous scientist. Create a fact file or PowerPoint presentation about them.

PE

How many times can you pass the ball around your legs in a figure of 8? Practise your skills at home and take on the challenge.

Art

Create a picture using a marbling or mosaic technique.
