Year 2 Term 2

Celebrations Around the World

Theme Homework

Please choose one activity to do each week. Share your theme homework by bringing it in for Show and Tell and we will display it in our classroom.

Geography
Research a continent or ocean we have learned about and record some interesting facts. Can you find out about any celebrations they have?

History
Can you find any photos of yourself or your family at a celebration? You could bring them in to show your class or make a poster.

PSHE
Draw a picture which celebrates all the ways you are different and amazing!

Computing
Create a poster to help teach others about how to keep themselves safe online.

RE
Draw or write the Christian Nativity story including why each part is important to Christians.

Art and D.T.
Design and make decorations for a special celebration. For example, a Christmas wreath or a Rangoli for Diwali.

Science
How do you use electricity around your house? Does one room use more electricity than others? Where do you have to keep safe from electricity at home?
