

**History** This term we will be learning all about Captain Scott, a local history hero. We will learn about his life, his expedition in Antarctica, and what he did to protect himself from extreme weather conditions.

**Book Time** We will be starting the story Cyril and Pat, before reading Where the Wild Things Are by Maurice Sendak. We will be using this text as inspiration for writing friendship recipes and fantasy setting descriptions. Please continue to practise your spelling certificates to improve your writing skills.

**Maths** In Maths we will start our learning about multiplication and division and fractions, before moving on to learn about money. Have a practise of playing shops with your parents at home! Don't forget to practise your maths target and catch up on any mathematics!

# Exploration

## Year 1 Term 6 Learning Leaflet

**Geography** This term we will be finding out about human and physical features of Antarctica.

We will use our map reading skills and learn the four points of a compass to help us read the maps. We will learn about the names of the 7 continents, and 5 oceans.

**PSHE** We will be talking about changes. We will discuss how people change as they get older. We will discuss our feelings about our new class and what we are looking forward to and any worries about Year 2.

**Art** In Art we will be exploring the art from three different cultures, African, Aboriginal and Islamic. Then, we will make our own painted prints using animals and dotting techniques and patterns.

**Science** This term we will be learning about animals around the world. We will learn more about identifying and classifying animals by appearance and the difference between herbivores, carnivores and omnivores. Finally, we will look at caring for animals.

**Computing** This term we will be TV chefs, where we will be able to follow recipes to create rice krispie cakes and film each other, then edit the clips to create a short TV programme!

**History** This term we will be learning all about Captain Scott, a local history hero. Write about if you were a hero. What would you do? How would you help our planet and the people around you?

**PE** We will be learning dances and finding ways to express ourselves through movement. Can you listen to some music and create your own dance routine?

**Science** This term we will be learning about animals around the world. Choose your favourite animal to draw and label.

## Year 1 Term 6 Theme homework

Please choose at least one of these activities to do over the next term. You can choose to do these independently or with someone in your family. Please bring your learning in to school to share with us!

**Computing** This term we will be TV chefs, where we will be able to follow recipes. Can you help your adult to cook or bake something following a recipe?

**Geography** This term we will learn about the 7 continents, and 5 oceans. Can you use library books or the internet to do some research? What is the coldest place on the planet, why do you think it's so cold?

**PSHE** We will be talking about changes. Write about your favourite memories from Year 1 and what you are looking forward to in Year 2!

**Art** In Art we will be exploring the art from different cultures. Create your own pattern with your favourite colours.
